The newsletter of Hainault Forest High School, a Business and Enterprise College

## Dear Parents and Carers,

I hope you had a good half term break despite the awful weather. This is my favourite half term of the year for a number of reasons. Firstly, we have increasing number of daylight hours which signals that winter is almost over. Secondly, the spring bulbs start to come up. Thirdly, and most importantly this is the half term when we hold our annual Evening to Celebrate Achievement. Students regularly receive awards during house assemblies but this evening brings together those students who have excelled across a number of areas. Each year I am overwhelmed by the talent and ability of our students, which is a very good reason to celebrate!

### Use of public transport

We have recently received a complaint about the behaviour of some of our students using the local buses. Please remind your sons and daughters that:

Bus drivers have a duty of care to all passengers and they should not be distracted as this could lead to accidents.

Drivers also have the right to eject people from their buses, if they see fit.

Buses now have CCTV cameras and we will co-operate 100% with transport police to help them identify anyone misbehaving. Most importantly our students are our ambassadors and we expect them to ensure that the good name of the school is upheld. It is a pity that a small number of students have brought our school into disrepute. We must now do everything we can to minimise the damage caused. We are sure we can count on your support.

### School uniform

School uniform is on sale in the 'flexi area' on Tuesdays and Thursdays during morning break.

Our suppliers will be in twice a week to sell blazers, ties and P.E. kit at prices which are below those of local shops.
